

Serve Your Community by Becoming a Civil Grand Juror

What is a Civil Grand Jury?-a civil Grand Jury is made up entirely of community volunteers whose primary mission is to examine all local government agencies and officials to determine if they are serving the residents of the county in a legal, economical and efficient manner. Grand jurors are appointed by the Presiding Judge, Mark Magit.

What Does a Civil Grand Jury Do?- California law sets out certain legally required investigations to be done by the Grand Jury, however, the Grand Jury on its own initiative can investigate any local government agency and or official it chooses. In addition, the Grand Jury can investigate local government agencies and or officials based on written concerns or written complaints made by members of the public. The Grand Jury has a year to do its investigations and then must submit a final Grand Jury report to the Presiding Judge that will be distributed to the public and to local government.

What Are the Qualifications to be a Grand Juror? – You must: 1) be a citizen of the United States, 2) be at least 18 years old, 3) be a resident of California and Mono County for at least one year immediately prior to selection to the grand jury, and 4) possess sufficient knowledge of the English language to communicate both orally and in writing.

What is My Commitment if I Serve As a Grand Juror?- the Presiding Judge will appoint grand jurors to serve for one year from July 1st to June 30th of the next year. Grand jurors can expect at least one general meeting a month of the entire Grand Jury; time and place of the meetings to be determined by the Grand Jury members. In addition, once the Grand Jury starts investigating local government agencies, there will be committee meetings to do the investigative work. The amount of time spent on committee meetings and investigative work is determined by the Grand Jury members.
